## Designing Murals

with Blake Harrison

Blake Harrison is a well known studio and mural artist. He will teach us how build a mural from a photograph. Blake works with the Urban Revitalization Project - an organization of artists which beautifies cities with wonderful murals. You probably have seen some of Blake's colorful murals in town- especially the Tom Petty-memorial on the 34st wall.  
May is Mental Health Month- let's make it a mural month too!
